

Attention!!!!

2010 Scouter's Rendezvous

April 10th at Camp Nutter

**Wouldn't it be great to have a Camporee just for Adults?
Well, that's what the Scouter's Rendezvous is!!!**

Who is invited?? Everyone registered in a Boy Scout Troop at any position, new and improved or heavily seasoned. This is a place to share your expertise, knowledge, and tricks.

Cost?? - \$10.00 - helps defray the cost of the CD, rental and insurance

There will be lots of old print resources and attendees get the CD version of the 2008 Rendezvous Notebook which includes over 200 pages of Scouting Stuff.

The BIG day is Saturday but you can come in Friday night after 4:00 pm and join the early birds. OR Bring up your Troop adults, stake out a campsite and make it a weekend get away for your adults, we can arrange that. Would you like to do a camp good turn? We can arrange that, too!! Stay over into Sunday, there are always a few Rendezvous'ers that stay over.

We are going to BBQ somethin' Saturday night!! - Saturday evening will be a Pot Luck gathering of Scouters near and far, old and young gathering at the Rendezvous - We supply the meat, you bring the rest : bread, veggies, beans, chips, whatever - - -get creative - pot luck style.

But to do this we need know who is coming!!

SIGN UP TONIGHT!!!

or email me - dmwade@metrocast by March 20th

Saturday Agenda will include:

Spring Jamboree Program information - be in the know
Open Floor Chat sessions - Got a problem - bring it here!!!
Presentation and Discussion of the 2010 Events and Programs,
Scouting Displays - Patches, Neal Slides and other goodies,
Attend and get a CD resource with over 100 pages w/ handouts and more handouts
Do a Camp Nutter good turn. Invite your woodbadge patrol for a get together,
Other Topics will include: Building a successful Troop Program, "Wild Cookery",
Thinking out of the Box, "The things I learned in Boy Scouts", and much more
Also we hope to have District Training Staff will be here doing their thing,
Adventures of a Lunch time, and of course the Patrol Method!
